

Mohamed Ahmed Salah

General Manager & Water Technologist

Mohamed Ahmed Salah is a General Manager & Water Technologist with Larsen & Toubro (L&T). He is a licensed Professional Engineer (P.E. & P.Eng) in the United States and Canada and has more than 28 years' experience in the water & wastewater industry. He leads L&T's Process Engineering team in the design and construction of large scale water & wastewater treatment facilities.

Before joining L&T, Mohamed worked at Parkson Corporation (Florida), Aqua-Aerobic Systems (Chicago), Eco Process & Equipment (Canada), WorleyParsons (Qatar) and BeSix (Dubai).

Mohamed holds M.E.Sc. in Chemical Engineering from the University of Western Ontario, Canada. He has numerous publications in water & wastewater including SBR (sequencing Batch Reactor), Ultrafiltration, membrane bioreactors (MBR), biological modelling and simulation, and tertiary treatment.
