

HASSAN DARWICH

GCC Market Development Senior Manager

Based in UAE, Hassan Darwich is a technical expert with extensive knowledge in designing, manufacturing and installing composite pipes & fittings.

Holding an MSc degree in Mechanical Engineering, he started his career as a design engineer at “Khatib & Alami” then a site engineer at Dubai Contracting Company (DCC).

In 2008, he joined Future Pipe Industries as a Technical Manager. Over the years, he handled many positions in the company and currently he is the GCC Market Development Senior Manager at the commercial division in FPI. In his current role, he is responsible for promoting the composite pipes solutions manufactured by FPI and increasing the company market share, by leading the conversion effort of the pipe industry into non-metallics.
