

DIETMAR SIERSDORFER

Managing Director, Siemens Energy Middle East and UAE

On May 1, 2020, Dietmar Siersdorfer became Middle East and UAE Managing Director at Siemens Energy. Siemens Energy is a pureplay energy company, bringing together all of Siemens' energy capabilities, to build a strong value proposition focused on supporting countries through their energy transition and decarbonization journey.

Siersdorfer joined Siemens in 1987 in Mannheim, Germany, as an electrical engineer and has held various managerial positions in the Industry and Energy sectors during his tenure at the company.

Siersdorfer is an active board member of several Siemens subsidiaries, including Siemens LLC Oman; and Siemens WLL Qatar; and as the Chairman of Siemens Electrical and Electronic Services, K.S.C.C, Kuwait; and the Chairman of Siemens Egypt SA.
