POST SHOW REPORT

MESSAGE FROM THE FOUNDER AND CHAIRMAN OF WETEX

Under the directives of His Highness Sheikh Mohammed bin Rashid Al Maktoum, Vice President and Prime Minister of the UAE and Ruler of Dubai, the Water, Energy, Technology, and Environment Exhibition (WETEX), organised by DEWA under the patronage of His Highness Sheikh Ahmed bin Saeed Al Maktoum, Chairman of the Dubai Supreme Council of Energy, has become a key platform that brings together major companies and organisations from the region and around the world. These participants showcase their latest technologies and green products, promoting innovative solutions in renewable and clean energy, water, environment, sustainability and other areas.

The 27th edition of WETEX spanned 95,000 square metres, attracting around 3,100 companies from 65 countries and featuring 18 international pavilions from 13 countries. The exhibition also drew 68 sponsors from both local and international companies and organisations.

I would like to commend all our partners, sponsors and visitors, and express my hope that our collaboration continues to benefit all parties. Together, we can contribute to shaping a brighter, more sustainable future for ourselves and future generations.

Thank you, and I look forward to seeing you at WETEX 2026.

His Excellency Saeed Mohammed Al Tayer

MD & CEO of DEWA and Founder and Chairman of WETEX

ABOUT DEWA THE ORGANISER

Dubai Electricity and Water Authority (DEWA) was established in 1992 following the merger of the Dubai Electricity Company and the Dubai Water Department. DEWA is the sole electricity and water utility provider in Dubai.

Over the years, DEWA has achieved significant milestones, earning recognition as one of the world's leading utilities by delivering services that adhere to the highest standards of efficiency, reliability, availability and sustainability to over 1.25 million customers. DEWA is committed to supporting the Dubai Net Zero Carbon Emissions Strategy 2050 to provide 100% of Dubai's total power capacity from clean energy sources by 2050.

ABOUT WETEX

Held annually under the directives of His Highness Sheikh Mohammed bin Rashid Al Maktoum, Vice President and Prime Minister of the UAE, and the patronage of His Highness Sheikh Ahmed bin Saeed Al Maktoum, Chairman of the Dubai Supreme Council of Energy, the Water, Energy, Technology and Environment Exhibition (WETEX), is a cornerstone event for sustainability in the region.

WETEX provides an exceptional platform to showcase the latest technological advancements and explore trends in water, energy, environmental sustainability and renewable energy. It creates valuable opportunities for local and international companies to display their products and services, while also encouraging the exchange of best practices and expertise among participants from around the world.

KNOWLEDGE EXCHANGE PLATFORMS

SPONSOR SEMINAR

Exclusive seminar sessions presented by sponsors of WETEX 2025 to explore insights, unveiling innovations and strategies from industry leaders.

RENEWABLES & SUSTAINABILITY SEMINAR

The Renewables & Sustainability Seminar has been an engaging platform for industry leaders, experts, and innovators to exchange insights, showcase solutions, and discuss the latest developments in renewable energy and sustainable practices. Over the three days, the seminar has hosted thought-provoking sessions and high-level discussions, reinforcing its role as a key meeting point for advancing the sustainability agenda.

GREEN MOBILITY & SRM

Experience the future of sustainable transport at WETEX new Green Mobility Zone. Bringing together automotive industry leaders, this innovative space aims to foster collaboration, showcase cutting-edge technologies in electric vehicles, and drive discussions on eco-friendly practices. Join us to explore, connect, and accelerate towards a cleaner automotive future.

WATER PLATFORM

Leading organisations and companies showcasing a strong focus on the latest innovations and technologies of the water sector will share their expertise with the audience.

To view all agendas [Click here](#)

WETEX LEADERSHIP ROUNDTABLE

The Leadership Roundtable this year featured an exclusive, invitation-only strategic session in partnership with PwC, bringing together CEOs and C-level executives from across the energy and sustainability sectors. The closed-door discussion focused on the critical topic of increasing energy demand, exploring the challenges and opportunities it presents for governments, utilities, and the private sector. High-level participants shared strategic perspectives and actionable insights, reinforcing the Leadership Roundtable's role as a premier platform for decision-makers to address pressing industry priorities and shape the path toward a sustainable future.

DELEGATION ZONE

The Delegation Zone served as a dedicated networking platform that brought together leading international organisations, government entities, and industry leaders for high-level discussions and strategic matchmaking. Organised with the support of the UAE Ministry of Economy, the DEWA-Confidential

Zone facilitated meaningful dialogue and cooperation, fostering partnerships between key global players and the UAE's public and private sectors. With the active participation of the European Commission and other prominent international partners, the Delegation Zone reinforced its position as a central hub for building strategic alliances and driving forward the global sustainability agenda.

PERSONALISED B2B & B2G PROGRAMME

Our personalised B2B & B2G Programme is a bespoke platform of strategic engagement, fostering targeted business interactions between industry leaders, enterprises, and government entities.

Curated meetings and discussions create pathways for innovative partnerships, paving the way for mutually beneficial collaborations that amplify sustainable initiatives and drive the energy sector's growth trajectory.

GALA DINNER

An exclusive ceremony was held to celebrate the success of WETEX 2025, which would not have been possible without its valued partners and supporters. The gala dinner evening honoured the contributions of sponsors, international associations, and all participating exhibitors on the international platform, with recognition by His Excellency Saeed Mohammed Al Tayer, MD & CEO of DEWA, Founder and Chairman of WETEX.

AHMED BIN SAEED INAUGURATES 11TH EDITION OF THE WORLD GREEN ECONOMY SUMMIT IN DUBAI

Under the patronage of His Highness Sheikh Mohammed bin Rashid Al Maktoum, Vice President and Prime Minister of the UAE and Ruler of Dubai, His Highness Sheikh Ahmed bin Saeed Al Maktoum, Chairman of the Dubai Supreme Council of Energy, inaugurated the 11th edition of the World Green Economy Summit (WGES) in Dubai. The summit, organised by the Dubai Supreme Council of Energy, Dubai Electricity and Water Authority (DEWA) and the World Green Economy Organization (WGEO), is being held this year under the theme 'Innovating for Impact: Accelerating the Future of the Green Economy'.

The opening speech was delivered by His Excellency Saeed Mohammed Al Tayer, Vice Chairman of the Dubai Supreme Council of Energy, MD & CEO of DEWA and Chairman of WGEO. The summit also saw keynote speeches by His Excellency Sauli Niinistö, Former President of Finland; HE Dr Amna bint Abdullah Al Dahak, UAE Minister of Climate Change and Environment; and Sheikha Dr. Shamma bint Mohammed bin Khalid Al Nahyan, Chairperson of the Sheikh Mohammed bin Khalid Al Nahyan Institutions.

PARALLEL EVENTS

HEALTH & SAFETY HUB

The Health & Safety Hub has established itself as a dynamic platform dedicated to raising awareness and promoting the latest innovations and best practices in health and safety. Hosted alongside WETEX 2025, the Hub features a dedicated conference with insightful sessions covering occupational health standards, emergency preparedness, workplace well-being, and resilience building. It also offers a wide range of engaging activities and interactive workshops designed to foster practical learning and collaboration.

With the active participation of leading government authorities, prominent universities, and industry experts, the Health & Safety Hub stands as an essential convergence point for shaping the future of workplace safety and health standards. This unique gathering offers visitors and attendees unparalleled access to cutting-edge solutions, hands-on demonstrations, and invaluable networking opportunities that drive meaningful collaboration and innovation.

اينوك ومصدر تستعرضان مشاريع نوعية في ويتيكس 2025

2 أكتوبر 2025 - 1:00 م

دبي في 2 أكتوبر 2025

أكد مسؤولون أن معرضي تكنولوجيا المياه والطاقة والبيئة "ويتيكس"، الذي يحتتم أعماله اليوم في مركز دبي التجاري العالمي، شكل منصة رئيسية لاستعراض مشاريع نوعية وسيارات مبتكرة في مجالات الطاقة النظيفة والاستدامة والتوسع العالمي.

وقال حسين سلطان نواز، الرئيس التنفيذي بالإنابة لمجموعة "اينوك" في تصريح لوكالة أنباء الإمارات (إمنا) على هامش المعرض، إن الحدث يمثل منصة إستراتيجية للتعرض على أحدث التطورات في قطاع الطاقة ولقاء الشركات العالمية المتخصصة في مجالات الطاقة المتجددة والتكنولوجيا النانوية.

وأوضح أن المجموعة كسّلت الضوء خلال المعرض على مصنعتها لإنتاج الديزل الحيوي في الدولة، والذي يُعد الأول من نوعه من مستوى شركات النفط الوطنية، مؤكداً أن هذا المشروع يعكس التزام "اينوك" بدعم أهداف الاستدامة الوطنية وتماشياً مع السياسة الوطنية لتزويد الجوى التي أطلقت عام 2024.

WETEX 2025 promotes competitiveness of eco-friendly vehicles

WAM

01 Oct 2025, 20:31 GMT+10

DUBAI, 1st October, 2025 (WAM) – The 27th edition of the Water, Energy, Technology and Environment Exhibition (WETEX), being organised by Dubai Electricity and Water Authority (DEWA) from 30th September to 2nd October 2025 at the Dubai World Trade Centre, under the directives of His Highness Sheikh Mohammed bin Rashid Al Maktoum, Vice President, Prime Minister and Ruler of Dubai, and the patronage of H.H. Sheikh Ahmed bin Saeed Al Maktoum, Chairman of the Dubai Supreme Council of Energy, has placed electric vehicles (EVs) and sustainable mobility at the heart of its agenda.

In line with Dubai's Green Mobility Strategy 2030, the event seeks to promote innovation and competitiveness in the sector.

The 2025 edition of WETEX is set for a surge in participation, reinforcing its commitment to keeping pace with the growing demand for EVs and sustainable logistics.

This year's event will host a larger number of local and international

سعيد الطاير يبحث تعزيز التعاون مع الشركات الأذربيجانية

دبي، 1 أكتوبر 2025 - بحث سعيد الطاير، الرئيس التنفيذي لشركة المياه والطاقة والبيئة "ويتيكس"، مع وفد من الشركات الأذربيجانية، لتعزيز التعاون بين الجانبين في مجالات الطاقة النظيفة والتوسع العالمي.

«كهرباء دبي» و«اينوك» تتعاونان لتوسعة شبكة الشحن السريع للمركبات الكهربائية

Abu Dhabi to reuse 100% of treated water by 2026, says TAQA Water Solutions CEO

Emirates News Age... - 33d ago

DUBAI, 30th September, 2025 (WAM) -- The Emirate of Abu Dhabi is moving toward reusing 100% of treated water by the end of 2026, a pioneering step that strengthens the UAE's position in water resource management and sustainability, Ahmed Al Shamsi, CEO of TAQA Water Solutions, said.

In a statement to the Emirates News Agency (WAM) during his participation in the 27th edition of the Water, Energy, Technology and Environment Exhibition (WETEX) in Dubai, Al Shamsi said that the coverage rate of sewerage networks in Abu Dhabi has reached 99%, one of the highest globally.

He noted that more than one million cubic meters of wastewater are treated
