

WETEX 2022 DUBAI SOLAR SHOW 27-29 SEP

AT THE FOREFRONT OF SUSTAINABILITY

At WETEX & DSS 2022, for the first time DEWA has set up The Education & Innovation Zone - an exclusive zone that focuses on youth, by bringing together master level students, young professionals and industry leaders together to discuss how when young innovative minds combine with innovative technologies, methods and practices can lead the world towards a more resilient, green, sustainable future.
