

WETEX has tours for delegates and visitors to see the best practices in sustainability in Dubai.

The Sustainability & Innovation Centre at the Mohammed bin Rashid Al Maktoum Solar Park is a pioneering global hub for renewable and clean energy innovation. It works with local and global universities, organisations and start-ups, and is an educational platform that hosts events, conferences, seminars and workshops. The centre provides visitors with an opportunity to explore the latest innovation in clean energy technologies. It houses an auditorium for events, conferences and initiatives on renewable energy and sustainability.
