

RENEWABLES & SUSTAINABILITY SEMINAR

DAY 1 • 15 November 2023 • Location: Hall 7, DWTC

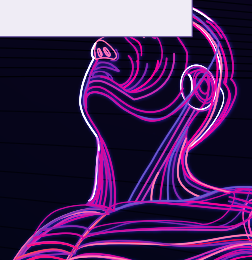

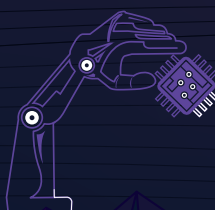

RENEWABLES	
10:45 AM	Welcome remarks by Sunergy Advisory
10:45 AM to 11:00 AM	<p>Presentation: Shaping a Sustainable Future: Unveiling the Cleantech Landscape in the Middle East</p> <p>Key highlights:</p> <ul style="list-style-type: none">• Unveiling the Power of Renewables: Exploring MENA's Thriving Energy, Mobility, Efficiency, and Agritech Markets!• Unlocking the Potential: Spotlight on UAE, KSA, Egypt, and Oman's Renewable Energy, Electric Mobility, Energy Efficiency, and Agritech Markets!• From Emerging to Empowering: MENA's Renewable Energy, Electric Mobility, Energy Efficiency, and Agritech Markets in the Limelight!• Investment Goldmine: Unearthing Growth Opportunities in MENA's Renewable Energy, Electric Mobility, Energy Efficiency, and Agritech Markets!• Navigating the Landscape: MENA's Renewable Energy, Electric Mobility, Energy Efficiency, and Agritech Markets - Challenges and Opportunities Revealed! <p>Speaker: Dr. Raed Bkayrat, Founder and Senior Advisor, Sunergy Advisory</p>
11:00 AM to 11:20 AM	<p>Presentation: Unleashing the Power of the Sun: A Journey through Renewable Energy Deployment in the MENA Region</p> <p>Key highlights:</p> <ul style="list-style-type: none">• Energizing the Future: Unveiling the State of Renewable Energy in the Middle East!• Powering Progress: Investing in the Booming Renewable Energy Market of the Middle East!• Breaking Barriers, Harnessing Potential: Overcoming Challenges and Seizing Opportunities in Middle East's Renewable Energy Landscape!• Turbocharging Transformation: Accelerating Renewable Energy Deployment in MENA!• From Vision to Reality: Revolutionizing the Middle East's Renewable Energy Scene <p>Speaker: Diale Hawila, Programme Officer, International Renewable Energy Agency (IRENA)</p>
11:20 AM to 11:40 AM	<p>Presentation: Solar Soaring: Illuminating the MENA Region's Solar Energy Landscape and Future Prospects!</p> <p>Key highlights:</p> <ul style="list-style-type: none">• Solar Surge: Shedding Light on MENA's Solar Energy Landscape and Untapped Potential!• Brilliant Horizons: Unleashing the Growth Potential of Solar Energy in the MENA Region!• Shining Bright: Unraveling Market Trends for Massive Solar Deployment in MENA!• Powering Progress: Illuminating the Impact of Policy and Regulation on Solar Energy Growth in the MENA Region! <p>Speaker: Denisa Fainis, Secretary General, Middle East Solar Industry Association (MESIA)</p>
11:40 AM to 12:40 PM	<p>Panel Discussion: Unlocking the Potential of Solar Energy in the MENA Region</p> <p>Key highlights:</p> <ul style="list-style-type: none">• Solar Struggles: Overcoming Hurdles to Illuminate the MENA Region's Solar Energy Potential!• Solar Systems Unveiled: Unraveling Key Trends in MENA and Beyond!• Powering Progress: Navigating the Technical and Regulatory Updates in MENA's Solar Energy Sphere!• Innovate to Illuminate: Unleashing Potential Solutions and Technologies for MENA's Solar Energy Challenges!• Sparks of Opportunity: Uniting Developers, Governments, and Investors to Ignite Solar Systems in the MENA Region! <p>Speakers:</p> <ol style="list-style-type: none">1. Moneef Barakat, CEO, Solarabic [Moderator]2. Karel Parenica, CEO & Owner, Nanosun3. Dr. Hassan Qasem, CEO, Alternative Energy Projects Co. (AEP Co.)4. Mhairi Main Garcia, Partner, Watson Farley & Williams5. Rabih Baroud, Power & Utilities Manager – ME & Caspian Sea Region, Bureau Veritas6. Hani Majzoub, SVP Commercial Development, Yellow Door Energy

RENEWABLES & SUSTAINABILITY SEMINAR

DAY 1 • 15 November 2023 • Location: Hall 7, DWTC

RENEWABLES	
12:40 PM to 01:00 PM	Presentation: Benchmarking the Solar PV Market in the MENA Region Speaker: Karel Parenica, CEO & Owner, Nanosun
01:00 PM to 02:00 PM	Panel Discussion: Storage Supercharge: Empowering the Grid with Renewable Energy Integration through Cutting-Edge Storage Solutions! Key highlights: <ul style="list-style-type: none">• Grid Grit: Conquering Challenges in Renewable Energy Integration and Unleashing the Power of Storage!• Powering Through: Overcoming Technical and Regulatory Obstacles in Renewable Energy Integration!• Storage Solutions Unleashed: Rewriting the Grid's Future with Innovative Business Models!• Hybrid Power Plants: Where Technical Prowess Meets Commercial Success in Grid Integration! Panelists: <ol style="list-style-type: none">1. Dr. Raed Bkayrat, Founder and Senior Advisor, Sunergy Advisory [Moderator]2. Krzysztof Ignaciuk, Director, APRICUM3. Armando Dominioni, Senior Manager Regulation (Business Development & Excellence), Dubai Electricity & Water Authority (DEWA)4. Bruce Smith, Strategy and Planning Executive Director, Emirates Water and Electricity Company (EWEC)5. Mohammed W. A. Ayoub, GRID SOLUTIONS – Power Transmission – Service META Region General Manager, GE Vernova6. Rizwan Razaq, Chief Technology Officer, HUAWEI TECHNOLOGIES CO. LTD
02:00 PM to 03:00 PM - Lunch Break	
WATER	
03:05 PM to 03:25 PM	Presentation: Sustaining the Water Resources in the MENA Region Key highlights: <ul style="list-style-type: none">• Water Warriors: Tackling the MENA Region's Thirst Challenge with Innovative Solutions and Collaborative Strategies!• Drought to Deluge: Unveiling the State of Water Crisis and Security in the MENA Region!• Liquid Gold: Unleashing Best Practices for Water Conservation and Management in MENA!• Tech Waves: Riding the Innovation Tide for Efficient Water Usage in Agriculture, Industry, and Homes!• United for Water: Collaborating and Innovating for a Sustainable and Resilient Water Management System in MENA!• River of Hope: Sustaining Water Resources in MENA - A Blueprint for a Brighter Future! Speaker: Dr. Titia De Mes, Sustainability Manager, Abu Dhabi Sustainable Water Solutions Company (SWS)
03:25 PM to 03:45 PM	Presentation: Desalination Revolution: Unveiling the Evolution and Future of Water Transformation Key highlights: <ul style="list-style-type: none">• H2O Renaissance: Unleashing the Cutting-Edge Advances and Trends in Water Desalination!• Green Waves: Harnessing Renewable Energy for Next-Generation Desalination Processes!• Water Warriors: Empowering Utilities in Driving Sustainable Water Practices!• Beyond the Horizon: Pioneering the Future of Sustainable Water Desalination for All! Speaker: Dr. Mohamed Dawoud, Senior Water Resources Advisor, Environmental Agency – Abu Dhabi (EAD)
03:45 PM to 04:45 PM	Panel Discussion: Unleashing the Potential of Water Management and Reuse in the MENA Region! Key highlights: <ul style="list-style-type: none">• Water Warriors Unite: Confronting Challenges and Unlocking the Potential of Water Management and Reuse in MENA!• Flowing Forward: Unveiling Key Trends in Water Management and Reuse in MENA and Beyond!• Liquid Innovations: Navigating the Technical and Regulatory Updates for Water Management and Reuse in the Region!• Stakeholder Symphony: Driving Water Demand Management Opportunities with Utilities, Governments, and Investors in MENA!• Waves of Change: Charting the Future of Water Management and Reuse in MENA - Growth, Challenges, and Emerging Trends! Speakers: <ol style="list-style-type: none">1 Nada Abubakr, Middle East Director, Ricardo Global Water Practice [Moderator]2. Eng. Mohamed Ali Al Jneibi, Business Resilience Director, Abu Dhabi Sustainable Water Solutions Company (SWS)3. Imteyaz Ahmad, Managing Director, Future Water and Power Consulting (FWPC)4. Alexei Levene, Co-Founder, Desolenator5. Joe Battikh, Head of Energy & Water Knowledge Hub, International Committee of the Red Cross6. Asad Khan Durrnai, Head - Facilities Management, EMAAR
04:45 PM	Closing remarks by Sunergy Advisory

RENEWABLES & SUSTAINABILITY SEMINAR

DAY 2 • 16 November 2023 • Location: Hall 7, DWTC

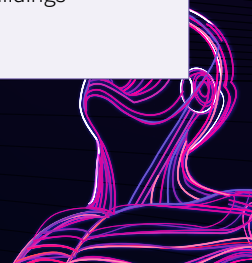

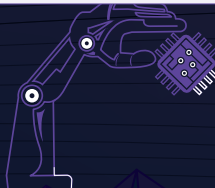

ENERGY TRANSITION & GREEN HYDROGEN

10:00 AM	Welcome remarks by Sunergy Advisory
10:00 AM to 10:20 AM	Presentation: MENA Energy Transition and Pathways to Net-Zero Key highlights: <ul style="list-style-type: none">• Power Pulse: Unleashing the MENA Energy Markets - Current State and Future Visions!• Energizing the Future: Unveiling Energy Practices and Policies in the MENA Region!• Powering Together: Collaborating and Innovating for a Sustainable and Resilient Energy Transition in MENA!• Energy Metamorphosis: Success Stories of MENA's Energy Transition Initiatives and Their Transformative Impact! Speaker: Dr. Shihab Elborai , Partner, Strategy&
10:20 AM to 11:20 AM	Panel Discussion: Powering the Future: Unleashing MENA's Energy Transition and Defining the Roadmap to Net-Zero! Key highlights: <ul style="list-style-type: none">• Powering Through: Conquering Challenges in MENA's Energy Transition and Net-Zero Journey!• Pathways to Power: Unveiling Strategies for Energizing MENA's Energy Transition and Net-Zero Future!• Energy Evolution: Navigating Technical and Regulatory Updates for MENA's Energy Transition and Net-Zero Targets!• Stakeholder Synergy: Fuelling Opportunities for Energy Transition and Net-Zero with Utilities, Governments, and Investors in the Region!• Collaborate to Illuminate: Partnering for Success in Achieving Net-Zero Emissions in the MENA Region! Speakers: <ol style="list-style-type: none">1. Gurmeet Kaur, Partner, Pinsent Masons [Moderator]2. Dr. Amro Elshurafa, Acting Program Director – Utilities & Renewables, King Abdullah Petroleum Studies and Research Center (KAPSARC)3. Qais Al Suwaidi, Vice President Sustainability, Abu Dhabi National Energy Company (TAQA)4. Tarig Ahmed, Regional Programme Officer - MENA Region, International Renewable Energy Agency (IRENA)5. Mohammed Alshamsi, Chief Officer - Climate Change & Sustainability, Dubai Electricity & Water Authority (DEWA)6. Jose Antonio Alberich, Partner, Kearney Middle East
11:20 AM to 11:40 AM	Presentation: Hydrogen Horizons: Unleashing MENA's Low Carbon Potential and a Bright Outlook for the Future! Key highlights: <ul style="list-style-type: none">• Hydrogen Highways: Accelerating MENA's Low Carbon Hydrogen Markets and Fueling a Sustainable Future!• Fueling the Future: Unveiling the Current State of MENA's Low Carbon Hydrogen Markets!• Investing in Hydrogen Horizons: Unleashing Growth and Opportunities in MENA's Low Carbon Hydrogen Markets!• Powering Progress: Navigating Challenges and Opportunities in MENA's Low Carbon Hydrogen Landscape!• Collaborate to Innovate: Driving a Sustainable and Resilient Low Carbon Hydrogen Transition in MENA through Collaboration and Innovation! Speaker: Alejandro Longueira , Principal, Roland Berger
11:40 PM to 12:40 PM	Panel Discussion: Hydrogen Revolution Unleashed: Unlocking MENA's Low Carbon Potential and Igniting the Power of Change! Key highlights: <ul style="list-style-type: none">• Hydrogen Horizons Unveiled: Unleashing MENA's Low Carbon Potential and Paving the Path to a Green Future!• H2 Status Check: Unveiling MENA's Low Carbon Hydrogen Journey - Production, Utilization, and Beyond!• Breaking Barriers: Overcoming Challenges to Deploy Low Carbon Hydrogen in MENA's Energy Landscape!• Global Waves, Local Tides: Unveiling Key Trends in Low Carbon Hydrogen in MENA and Beyond!• Powering Progress: Accelerating Low Carbon Hydrogen Deployment in MENA with Innovative Solutions and Best Practices!• From Vision to Reality: Showcasing Successful Low Carbon Hydrogen Initiatives and Their Transformative Impact in MENA! Speakers: <ol style="list-style-type: none">1. Claude Mourey, Director, Hydrogen and New Energies – EMEA, Wood Mackenzie [Moderator]2. Nahla Abid, VP Sales & Strategy Middle East & Caspian Sea Region, Bureau Veritas3. Christophe Comte, Sr Vice President Business Development – Hydrogen, ENGIE Middle East4. Amit Deshpande, Managing Director, Cummins Arabia5. Robin Mills, CEO, Qamar Energy6. Hammad Masood, Director Business Development - Green Hydrogen, ACWA Power

12:40 PM to 01:40 PM - Lunch Break

ENERGY EFFICIENCY AND GREEN BUILDINGS IN MENA

01:45 PM to 02:05 PM	Presentation: Empowering Efficiency and Decarbonization in Building Transformations! Key highlights: <ul style="list-style-type: none">• Greening the Blueprint: Unleashing the Power of Energy-Efficient Buildings and Accelerating Decarbonization!• Efficiency Revolution: Designing the Future with Energy-Efficient Buildings and Carbon Reduction Strategies!• Powering Efficiency: Unveiling Strategies to Optimize Energy Consumption in Buildings and Propel Decarbonization!• Renewable Renaissance: Harnessing Solar Panels and Geothermal Systems for Decarbonization in Energy-Efficient Buildings!• Policy Pioneers: Driving Change through Initiatives, Incentives, and Collaborations for Energy Efficiency and Buildings Decarbonization! Speaker: Faisal Ali Rashid , Senior Director - Demand Side Management, Dubai Supreme Council of Energy
----------------------------	---

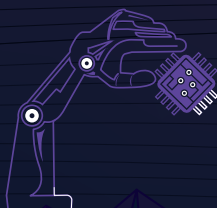

RENEWABLES & SUSTAINABILITY SEMINAR

DAY 2 • 16 November 2023 • Location: Hall 7, DWTC

ENERGY EFFICIENCY AND GREEN BUILDINGS IN MENA

01:45 PM to 02:05 PM	<p>Presentation: Empowering Efficiency and Decarbonization in Building Transformations!</p> <p>Key highlights:</p> <ul style="list-style-type: none">• Greening the Blueprint: Unleashing the Power of Energy-Efficient Buildings and Accelerating Decarbonization!• Efficiency Revolution: Designing the Future with Energy-Efficient Buildings and Carbon Reduction Strategies!• Powering Efficiency: Unveiling Strategies to Optimize Energy Consumption in Buildings and Propel Decarbonization!• Renewable Renaissance: Harnessing Solar Panels and Geothermal Systems for Decarbonization in Energy-Efficient Buildings!• Policy Pioneers: Driving Change through Initiatives, Incentives, and Collaborations for Energy Efficiency and Buildings Decarbonization! <p>Speaker: Faisal Ali Rashid, Senior Director - Demand Side Management, Dubai Supreme Council of Energy</p>
02:25 PM to 03:25 PM	<p>Panel Discussion: Efficiency Amplified: Accelerating the Middle East's Energy Transformation through Enhanced Efficiency</p> <p>Key highlights:</p> <ul style="list-style-type: none">• Efficiency Overdrive: Unleashing MENA's Energy Potential and Fueling a Sustainable Future!• Powering Progress: Spotlight on MENA's Energy Efficiency Initiatives and Their Game-Changing Impact!• Breaking Barriers: Paving the Way for Energy Efficiency in MENA through Innovation and Solutions!• Tech-Powered Transformation: Revolutionizing Energy Efficiency in MENA through Cutting-Edge Technologies!• Illuminating the Horizon: Exploring the Outlook for Energy Efficiency in MENA and Its Transformative Implications! <p>Panelists:</p> <ol style="list-style-type: none">1. Roisin White Barrett, Senior Market Advisor, Enterprise Ireland [Moderator]2. Dr. Ashok Sarkar, Senior Energy Specialist & Program Leader for Infrastructure, The World Bank3. Rachid Hamida, Vice President - Energy & Technology, Enova by Veolia4. Elie Matar, Head of Electricity, Dubai Regulatory & Supervisory Bureau5. Andrea Di Gregorio, Executive Director - Energy Efficiency and Renewables Office (Reem), RAK Municipality6. Jonathan Churchman-Davies, DSM Specialist Industrial, Abu Dhabi Distribution Company
03:25 PM to 03:45 PM	<p>Presentation: Green Buildings in the MENA Region: Status & Outlook</p> <p>Key highlights:</p> <ul style="list-style-type: none">• Overview of the status of Green Buildings in the MENA region.• Outlook for green buildings in the MENA region, including potential growth opportunities, challenges, and emerging trends.• The potential of green buildings to contribute to the achievement of the sustainable development goals in the MENA region.• Case studies of successful green building projects in the MENA region and their outcomes. <p>Speaker: Habiba Al Marashi, Co-Founder & Chairperson, Emirates Environmental Group (EEG)</p>
03:45 PM to 04:05 PM	<p>Presentation: The Net-Zero Pathway at Masdar City</p> <p>Presentation highlights:</p> <ul style="list-style-type: none">• Masdar City has been pushing the boundaries of sustainable urban development for 15 years and is home to one of the largest clusters of LEED Platinum buildings in the world.• They have focused on green construction practices, passive design, energy and water-efficiency, renewable energy, and clean mobility.• Their distinctive methodology, which prioritizes social, economic, and environmental sustainability, embraces inter-disciplinary collaboration, and prioritizes sustainability rather than treating it as a premium add-on, has enabled them to design the most sustainable buildings on the market in a way that is commercially viable.• Their goal is to turn "sustainable design" into "design," and create a reference point for other cities that want to be part of the solution to climate change. <p>Speaker: Chris Wan, Associate Director of Sustainability and CSR, Masdar City</p>
04:05 PM to 04:25 PM	<p>Presentation: Green Buildings and Real Estate Decarbonization in the MENA Region</p> <p>Key highlights:</p> <ul style="list-style-type: none">• Analyzing the key challenges facing Green Buildings and real estate decarbonization in the MENA region, and the regulatory and market drivers for these transitions.• Exploration of the technical and regulatory updates for Green Buildings and real estate decarbonization in the region.• Discussion on the role of stakeholders in promoting and highlighting opportunities for Green Buildings and real estate decarbonization in the region. <p>Speaker: Kamal Farah, Director, Desert Board By Al Talah Board Manufacturing Co. Ltd.</p>
04:25 PM to 04:45 PM	<p>Presentation: Macro Drivers of Change: Navigating the Impact on Energy, Water, and Circular Economy</p> <p>Speaker: Deborah Webster, Co-Founder, Sustainability Leadership Forum</p>
04:45 PM - Closing by Sunergy Advisory	

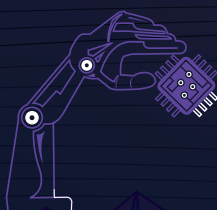

RENEWABLES & SUSTAINABILITY SEMINAR

DAY 3 • 17 November 2023 • Location: Hall 7, DWTC

ELECTRIC MOBILITY

10:00 AM	Welcome remarks by Sunergy Advisory
10:00 AM to 10:20 AM	Presentation: Unlocking the Potential of Electric Vehicles in the UAE Key highlights: <ul style="list-style-type: none">• Introduction about the global electric mobility market• Strategies, Zero Emission Plan, Taxi Decarbonization Plan• Challenges and Outlook for the Future Speaker: Adel Mohammed Shakri , Director of Planning & Business Development Department, Dubai Roads and Transport Authority (RTA)
10:20 AM to 11:20 AM	Panel Discussion: Electrifying the Road Ahead: Unleashing the Potential of Electric Vehicles in the Middle East! Key highlights: <ul style="list-style-type: none">• Driving Change: Overcoming Challenges and Paving the Way for Electric Vehicles in the Middle East Region!• Charged Up: Unveiling Key Trends in Electric Vehicles and Batteries in the Middle East and Beyond!• Powering Progress: Navigating Technical and Regulatory Updates for Electric Vehicles in the Region!• Revving Innovation: Exploring Solutions and Technologies to Accelerate Electric Vehicle Adoption in the Middle East!• Electrification Symphony: Harmonizing Stakeholders for the Promotion of Electric Vehicles in the Middle East! Speakers: <ol style="list-style-type: none">1. Ahmed Samir Elbermbali, Sustainability Market Leader - Middle East Region, Bureau Veritas [Moderator]2. Heiko Seitz, Global eMobility Leader, PwC3. Raji Hattar, Chief Sustainability Officer, Aramex4. Yen Raad, EV Readiness & Strategy, General Motors5. Karim Mousa, Senior Vice President - eMobility Middle East, Siemens6. Adel Mohammed Shakri, Director of Planning & Business Development Department, Dubai Roads and Transport Authority (RTA)
11:20 AM to 11:40 PM	Presentation: DEWA EV Green Charger Initiative: Dubai Success Story Key highlights: <ul style="list-style-type: none">• Overview of the DEWA EV Green Charger Initiative and its purpose• Dubai's successes in promoting EV adoption and the role of the EV Green Charger Initiative• Challenges faced during the implementation of the Green Charger Initiative and how they were overcome• Future plans for the initiative, including expansion and improvements to the charging infrastructure• Lessons learned from the EV Green Charger Initiative that can be applied to other countries in the region Speaker: Majid Ali Hilal Al Hazami , Director Smart Grid PMO, Dubai Electricity & Water Authority (DEWA)
11:40 AM to 12:40 PM	Panel Discussion: Charging Revolution: Fuelling the Future of Electric Vehicles in the Middle East! Key highlights: <ul style="list-style-type: none">• Powering the Drive: Unleashing Strategies for EV Charging Infrastructure Deployment in the Middle East!• Sparking Innovation: Exploring the Role of Cutting-Edge Technologies in Revolutionizing EV Charging Infrastructure!• Access Everywhere: Addressing Challenges and Seizing Opportunities for Expanding Charging Options in Urban and Rural Areas!• Plugged and Play: Standardization and Interoperability in EV Charging Infrastructure for a Seamless Future! Speakers: <ol style="list-style-type: none">1. Carlo Stella, Partner, Arthur D. Little [Moderator]2. Dr. Ashok Sarkar, Senior Energy Specialist & Program Leader for Infrastructure, The World Bank3. Lukas Sokol, Head - Master Planning, City Design, and Sustainable Planning, Masdar City4. Fares Almazrooei, Co-Founder and Managing Director, Volt.ae5. Rami Abu Hayah, CEO, CATEC Mobility6. Kivanc Karayol, Market Director& Head of Electromobility - Middle East and Turkey, Volvo Group
12:40 PM – 02:00 PM - Prayer and Lunch Break	

RENEWABLES & SUSTAINABILITY SEMINAR

DAY 3 • 17 November 2023 • Location: Hall 7, DWTC

CIRCULAR ECONOMY, ESG, AND SUSTAINABLE FINANCE

02:00 PM to 02:20 PM	<p>Presentation: Sustainable Finance in the MENA Region: Status and Outlook</p> <p>Key highlights:</p> <ul style="list-style-type: none">• Overview of sustainable finance and its importance in the MENA for achieving the green transition• The role of governments in shaping investment conditions and policies that support sustainable finance and the green transition• The potential of sustainable finance to mobilize private sector investment in green projects and initiatives in the region <p>Speaker: Jeffrey Beyer, Founder and Director, Zest Associates</p>
02:20 PM to 02:40 PM	<p>Presentation: EDB Solar Financing Program to SMEs, Startups, and Large Corporates based in the UAE</p> <p>Speaker: Neeraj Gandhi, Senior Vice President - Product Development (mSMEs), Emirates Development Bank (EDB)</p>
02:40 PM to 03:40 PM	<p>Panel Discussion: Sustainable Finance Unleashed: Accelerating the Green Transition in MENA's Financial Landscape!</p> <p>Key highlights:</p> <ul style="list-style-type: none">• Breaking Barriers: Navigating Challenges in Sustainable Finance for MENA's Green Future!• Financial Frontiers: Unveiling Key Trends in Sustainable Finance in MENA and Beyond!• Power to the People: Harnessing Public Awareness for Sustainable Finance and the Green Transition in the Middle East!• Green Bonds, Bright Future: Unleashing the Potential of Innovative Financial Instruments in MENA's Green Transition!• Partners for Progress: Driving Sustainable Finance in MENA through Stakeholder Engagement and Public-Private Partnerships! <p>Speakers:</p> <ol style="list-style-type: none">1. Elias Hajj, Partner, McKinsey & Company [Moderator]2. Shaker Zainal, Chief Business Officer, Emirates Development Bank (EDB)3. Antoine Poussard, Managing Partner, Finergreen4. Lina Osman, Head - Sustainable Finance West, Standard Chartered Bank5. Alexis Issaharoff, Chief Renewable Energy Officer, Jubaili Bros
03:40 PM to 04:00 PM	<p>Presentation: Circular Economy: Best Practices and Opportunities</p> <p>Key highlights:</p> <ul style="list-style-type: none">• Innovative product design and resource optimization for waste reduction.• Extended producer responsibility and circular supply chain collaborations.• Circular business models and the potential for economic and environmental benefits.• Collaborative networks and partnerships driving circular economy best practices. <p>Speaker: Dima Al Sroui, Founder and Director, Biospheric City Lab</p>
04:00 PM to 05:00 PM	<p>Panel Discussion: Sustainability Unleashed: Navigating ESG and Net-Zero Goals in Middle East's Business Landscape!</p> <p>Key highlights:</p> <ul style="list-style-type: none">• Green is the New Gold: ESG Considerations Taking Center Stage for Investors in MENA!• Unveiling the MENA Mosaic: Energy Mix, Resources, and Factors Shaping Sustainability Feasibility!• Balancing Progress: Assessing Social and Environmental Impacts of ESG and Net-Zero Targets in MENA!• Shaping the Future: ESG and Net-Zero Carbon Targets in MENA – Implications for Businesses and Beyond! <p>Speakers:</p> <ol style="list-style-type: none">1. Ahmed Samir Elbermbali, Sustainability Market Leader - Middle East Region, Bureau Veritas [Moderator]2. Florence Bulté, Chief Sustainability Officer, Chalhoub Group3. Yasmin Fansa, MENA Sustainability Lead, PepsiCo4. Maria Grandinetti-Milton, Head of Sustainability, DP World Tour5. Matt Brown, Chief – Sustainability, Expo City Dubai
05:00 PM - Closing by Sunergy Advisory
